## Key Differentiators

**Creative + Strategic Integration** - In house expertise across branding, production, and digital/print media.

**Mission-Driven Approach** - Committed to advancing inclusive, community centered communication and narratives.

**Proven Partnerships** - Experience supporting businesses, non profits, and influencers on a global scale.

**Scalable Solutions** - Capable of supporting projects from small-scale outreach to large, multinational platform projects.

**CAGE CODE: 167V3    UEI: LBM5KVYYHDC8**

**1210 Marketing Group** is a full-service creative agency that helps businesses, brands, influencers, and mission-driven organizations communicate with clarity and impact. Headquartered in Chicago with a national footprint, our company specializes in strategic communication, design, video production, and digital development.

Our company utilizes strategies and solutions that strengthen trust, increase visibility, and engage communities. Guided by the belief that communication is infrastructure, our firm aligns creativity with strategy to move ideas, people, and organizations forward.
